**UTILITIES SERVICES OF SOUTH CAROLINA, INC. – APPLICATION FOR ADJUSTMENT OF RATES AND CHARGES AND MODIFICATIONS TO CERTAIN TERMS AND CONDITIONS FOR THE PROVISION OF WATER AND SEWER SERVICE**

Utilities Services of South Carolina, Inc. (USSC or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and charges for the provision of water and sewer service. USSC is a public utility, as defined by S.C. Code Ann. § 58-5-10(4) (Supp. 2006), providing water and sewer service to the public for compensation in certain areas of South Carolina pursuant to rates approved by the Commission in Docket No. 2005-217-W/S.

Pursuant to S.C. Code Ann. § 58-5-240 (Supp. 2006) and 26 S.C. Code Ann. Regs. 103-712.4.A and 103-512.4.A (1976, as amended), the Company requests that the Commission approve an increase in its monthly water and sewer service charges as set forth in the Application. Further, pursuant to 26 S.C. Code Ann. Regs. R. 103-703 (1976, as amended), the Company proposes to add language to its terms and conditions for the provision of water service to provide that, for water service to customers not described in the South Carolina Department of Environmental Control Guidelines for Unit Contributory Loadings for Domestic Waste Water Treatment Facilities, 25 S.C. Code Ann. Regs. 61-67 Appendix A (Supp. 2006), such as irrigation service, the tap fees shall be the same as those for one (1) SFE.

In support of its request for an adjustment in the Company's water and sewer rates, terms and conditions, USSC asserts, among other things, that the proposed water and sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, comply with standards and regulations set by the Department of Health and Environmental Control and other governmental agencies which regulate the environmental aspect of the Company's business, and earn a reasonable return on its investment and attract capital for future improvements. The Company also asserts that the proposed water and sewer rate increases are necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services.

A copy of the Application is on file in the offices of the Public Service Commission of South Carolina, 101 Executive Center Drive, Synergy Business Park, Columbia, South Carolina 29210, the Commission's website at [www.psc.sc.gov](http://www.psc.sc.gov) and is available from John M.S. **UTILITIES SERVICES OF SOUTH CAROLINA, INC. - APPLICATION FOR ADJUSTMENT OF RATES AND CHARGES AND MODIFICATIONS TO CERTAIN TERMS AND CONDITIONS FOR THE PROVISION OF WATER AND SEWER SERVICE**

Utilities Services of South Carolina, Inc. (USSC or the Company) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and charges for the provision of water and sewer service. USSC is a public utility, as defined by S.C. Code Ann. § 58-5-10(4) (Supp. 2006), providing water and sewer service to the public for compensation in certain areas of South Carolina pursuant to rates approved by the Commission in Docket No. 2005-217-W/S.

Pursuant to S.C. Code Ann. § 58-5-240 (Supp. 2006) and 26 S.C. Code Ann. Regs. 103-712.4.A and 103-512.4.A (1976, as amended), the Company requests that the Commission approve an increase in its monthly water and sewer service charges as set forth in the Application. Further, pursuant to 26 S.C. Code Ann. Regs. R. 103-703 (1976, as amended), the Company proposes to add language to its terms and conditions for the provision of water service to provide that, for water service to customers not described in the South Carolina Department of Environmental Control Guidelines for Unit Contributory Loadings for Domestic Waste Water Treatment Facilities, 25 S.C. Code Ann. Regs. 61-67 Appendix A (Supp. 2006), such as irrigation service, the tap fees shall be the same as those for one (1) SFE.

In support of its request for an adjustment in the Company's water and sewer rates, terms and conditions, USSC asserts, among other things, that the proposed water and sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, comply with standards and regulations set by the Department of Health and Environmental Control and other governmental agencies which regulate the environmental aspect of the Company's business, and earn a reasonable return on its investment and attract capital for future improvements. The Company also asserts that the proposed water and sewer rate increases are necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services.

A copy of the Application is on file in the offices of the Public Service Commission of South Carolina, 101 Executive Center Drive, Synergy Business Park, Columbia, South Carolina 29210, the Commission's website at [www.psc.sc.gov](http://www.psc.sc.gov) and is available from John M.S.
